

Tell 911 exactly where help is needed with what3words

what3words is an easy way to give an exact location. Every 10ft square in the world has been given a unique combination of three words.

To give a what3words address in an emergency:

1. Call 911...
2. then open the what3words app and wait for the blue GPS dot to stabilize.
3. Tap the current location icon. The 3-word address appears on the screen.
4. Read the three words to the 911 telecommunicator or tap "share" for additional options.
