

Cheryl Honeycutt – Board Member

Cheryl Honeycutt retired from McDonalds Corp., and has made LKG her permanent home. Cheryl's entire professional career has been based in the commercial construction industry. She started in construction with a worldwide General Contractor Perini Corporation and finished her career in Development as an Area Construction Management with worldwide QSR McDonalds Corporation. While working her dream job with the Golden Arches, she experienced many opportunities and accomplishments: teaching a Development class at McD's Hamburger University to attendees spanning North America, leading the build of a community food shelter, managing a LEED certified MCD rebuild, volunteering in various roles with Ronald McDonald House Charities of the Triangle. Of all, serving on the Board of RMHC NC is the most profound and proudest accomplishment.

She is task driven, and helps the LKG 911 Task Force through her talking with people(s), communication, coordination of time sensitive details. Cheryl's goal is to help bring the Task Force to the attention of our community and state leaders.
