

Melissa Hartman, DBA – Board Chair

Melissa Hartman is the co-founder and managing partner for Hartman Consulting Group, LLC. Dr. Hartman has over three decades of public service experience. She is a former member of the federal government's Senior Executive Service where she led diverse groups of employees at all stages of their careers to perform their best, leading to successful organizational outcomes in a variety of program areas including printing, publications, information life cycle governance including privacy, FOIA, and records management, and performing policy, oversight, compliance, and management functions. Melissa also serves on the board of directors for several non-profit organizations to develop and implement process improvements and help lead to the achievement of improved performance outcomes. Melissa's doctorate is in business administration and leadership, and she is also a Certified Information Privacy Professional (CIPP).
