

TELL 911 EXACTLY WHERE HELP IS NEEDED USING what3words

what3words is an easy way to give an exact location when no street address exists. Every 10ft square in the world has been given a

unique combination of three words. To give a what3words address in an emergency:

1. Open the free what3words app.
2. Wait for the blue GPS dot to stabilize, then tap the current location icon ().
3. Read the three words to the 911 operator.

WHY?

The LKG 911 Community Task Force is raising awareness to save lives – we want you to know **WHY**.

WIRELESS CALLS DON'T WORK LIKE YOU THINK THEY DO!

HELP FIRST RESPONDERS FIND YOU FAST!

YOU ARE THE HELP UNTIL HELP ARRIVES!

Wireless calls don't work like you think they do!

An inadequate number of cell towers in rural areas often misroute the emergency call. For these reasons, the wireless caller needs to know their precise location to reach the correct county 911 public safety answering point (PSAP).

Help First Responders find you fast!

Install Reflective House Numbers at your driveway entrance to ensure First Responders can find you fast. Numbers should be seen coming from both directions and placed 4 to 7 feet above the ground.

Purchase reflective signs locally:

You are the HELP until HELP arrives

The LKG 911 Community Task Force Medical Group offers a FREE 2-hour Medical Workshop covering CPR, AED's, and basic First Aid. Even though these are not certification events, the outcome from knowing what to do in an emergency would add valuable minutes until medical services and support could arrive. For more information or to schedule a session for your group, email us at LKG911taskforce@gmail.com. You can also contact your local VFD to inquire about Certified CPR classes in your area.

LAKE GASTON SAFETY

Be prepared for an emergency! Always call 911 first - call from a land line whenever possible. 911 calls from a cell phone may not go to the correct county. If your cell phone call gets misdirected, each county around Lake Gaston has a non-emergency phone number to call:

After dialing 911, If you do not get through to the proper county, use these alternate emergency numbers.

- **Brunswick County, VA - 434-848-3133**
- **Mecklenburg County, VA - 434-738-0028**
- **Halifax County, NC - 252-583-7051**
- **Northampton County, NC - 252-574-1041**
- **Warren County, NC - 252-257-3456**

LAKE GASTON VISITORS

Are you vacationing here? Do you know the complete address, county, and state where you are staying?

NO?

Ask your rental agent or homeowner to complete a 911 HELP Card, available from the LKG 911 Community Task Force, and to post it where all can see. We recommend placing one in your home and one on your dock in case of emergency.
